New York State Jaycees GOVERNORSHIP

Recognition programs are a fundamental part of the Jaycees movement. The Jaycees have often attempted to recognize those individuals who have made outstanding contributions in their communities as well as rendering exceptional service to mankind. However, the New York State Jaycees have not, in their half-century of existence, developed a statewide honor program for those members who have served so diligently within their own organization.

New York State Jaycees Highest Honor

In an effort to correct this situation, the New York State Jaycees have established an honor program to recognize its own outstanding members, past and present. Through this program, the local and state organizations bestow their candidates the title of New York State Jaycees Governor, the highest statewide honor. This award recognizes the recipient as a member for life in the New York State Jaycees. The implementation of the Governorship Program supplies the recognition deserved by so many outstanding past and present Jaycee members.

Criteria

In order for a Jaycee to be considered for the honor, several guidelines have been established as far as a candidate's qualifications. Besides displaying a record of outstanding service and involvement, a Jaycee Governor must have been a three year member in good standing; have served one year on his/her local Jaycee Board of Directors or have served one year on the New York State Jaycees Executive Committee. The official application must be submitted to explain the extent of the nominee's Jaycee involvement, as well as his/her community involvement outside the Jaycees organization. The completed application must be signed by the local president. (If the Governor nominee happens to be the current Jaycee president, the next senior officer may sign the application.)

Privileges

Participation in the Governor program requires that the sponsoring local organization contribute \$50 per honoree to the New York State Board of Governors honor fund. This one-time charge includes administrative costs and, as available, a Governorship pin, numbered certificate, and membership card. On a broader scale, Governorship funds provide for funding New York State Jaycees member development programs.

Governor Honor Program, New York State Jaycees

**NEW YORK STATE JAYCEES
GOVERNORSHIP APPLICATION**
(Please type or print legibly)

The _____ Jaycees of _____,
(Chapter Name) (City) (State)

make application to the New York State Board of Governors for enrollment of:
